EST. 1798

A quick message if we may! We are very pleased to welcome you. We have done everything we can to give you an enjoyable and COVID-Secure visit. Mike Dodson (aka Magic our Head Chef) has designed a menu that is simple and focusses on local produce. Magic has worked around maintaining best practice for social distancing in the kitchen and where he knows he can get delivery of the ingredients. It will likely change daily.

Please have your order ready - we will be with you shortly. This will minimize the amount of contact time. This menu is single use and will be disposed of after your reservation.

We apologise for any delays - we have never done this before and the safety of both you and our staff is paramount.
